## JUDGMENT RENDERED IN FAVOR OF DEFENDANT

Harry Dunseath, justice of the peace, rendered decision yesterday in a rather complicated case. It was that of Ernest Columbus versus Peter Petroni. It seems that the defendant was instrumental in pulling off a business deal for the plaintiff and was to receive \$50 commission therefor. Somehow the commission was collected through another deal and suit was brought to have the amount restituted. The court held that the defendant had performed his contract and was entitled to receive his commission, hence he made a finding in his favor, the costs being assessed against the plaintiff.

## DELINQUENT TAX LIST CONTAINS VERY FEW NAMES

N. K. Franklin, county treasurer, today completed his rolls and turned them over to the printer. He announces that the delinquency list contains only 152 names, the smallest number in the incumbency of his office or in the memory of any of his assistants. The amount of money involved in the delinquency is also at low water mark, although a considerable amount of the tax money was paid under protest, pending the outcome of a suit brought against the Nevada tax commission for changing rates fixed by the assessor.

## FILE ARTICLES

Articles of incorporation of the H. and H. Mining company, with principal place of business at Tonopah, were filed for record with the secretary of state Wednesday morning. The company is capitalized for \$1,000,000, divided into 1,000,000 shares par value \$1 each, all the capital stock being placed on the assessable basis. William Forman, George B. Thatcher and H. C. Price signed the articles as the incorporators.

## WIDOW RECEIVES \$5000

Mould, an unfortunate line-man who was electrocuted at Tonopah Christmas day while working at sub-station. Full amount of \$5000 and \$125 for funeral expenses was paid to the widow on January 11th, the marriage certificate and necessary proof arriving that morning.

The sisters, clad in men's clothing, spent three days at Carlin. Conn went to Portland to press his suit, and upon being accepted was married there by a rabbi. A civil ceremony at Carlin followed.

## CARD OF THANKS

Leaving Tonopah rather hurriedly, in order to meet an engagement at San Francisco, before sailing for Australia, I did not have an opportunity to say good-bye to all my good friends in Tonopah, and I take this method of expressing to them my regret at leaving the silver camp and its good people, to one and all of whom I express gratitude for the kindness and liberality with which I have been treated during my stay here.
